SPECIAL CARES:	<ul style="list-style-type: none"> <li>• The cone should not be rewinded since not appropriate winding could jeopardize the yarn quality. If it necessary, please rewind as slow as possible.</li> <li>• This yarn is dyed in cones and it may have the color differences between inside and outside of cones. We recommend to knit with more thread guides. We pay attention to this color difference, and We are not able to guarantee this problem if you have.</li> <li>• Paper yarn will be broken because of the low humidity, Please keep the humidity 50-55% in knitting place.</li> </ul>
