SPECIAL CARES:	1. The cone should not be rewinded since not appropriate winding could jeopardize the yarn quality. 2. This item is dyed in cones and it may have the color differences between inside and outside of cones. We recommend to knit with more thread guides. We pay attention to this color difference, and we are not able to guarantee this problem if you have. 3. Striped or jacquard knitwear, dry cleaning is recommend. 4. It is necessary to conduct specific trials and perform quality tests on your own knits before starting production since the final result always depends on your equipment and the tension and stitch you choose.
